# APPOINTMENTS - PROCESS

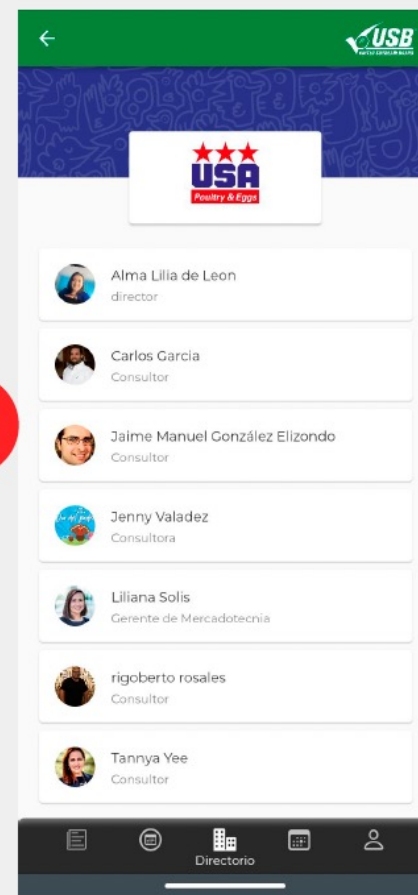

In each of the companies that are registered in **USAPEEC Mexico** and that are in the directory, there is a list of "Contacts"(a) to **whom it is possible to request an appointment** if you wish.

1. **Click on "Contacts"**, within the company you are interested in approaching.
2. A **list of collaborators** who are registered in the USAPEEC Mobile app will be displayed. **Choose the person you wish to make an appointment with.**
3. When their contact information is displayed, you will find a red "Request appointment" button. Select it.
4. **Fill in the fields** with the appointment information.
5. Click "**Submit request**".

At that time, a **notification that someone has requested an appointment** will arrive on your mobile application.

It is worth mentioning that due to the configuration of the application, **it is not possible to send more than one appointment request to the same person** if the first meeting has not taken place, for example: if you have an appointment at 11:00 hrs. and you wish to make another appointment with the same person but on another date, it is not possible until after 11:30 hours.

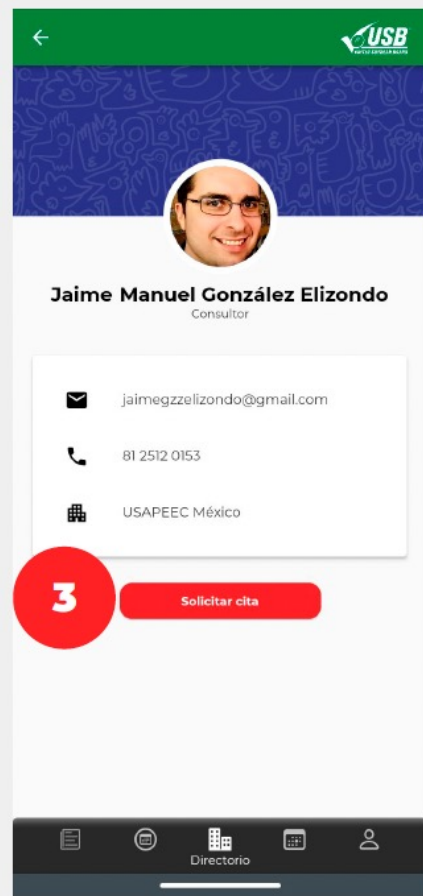

1

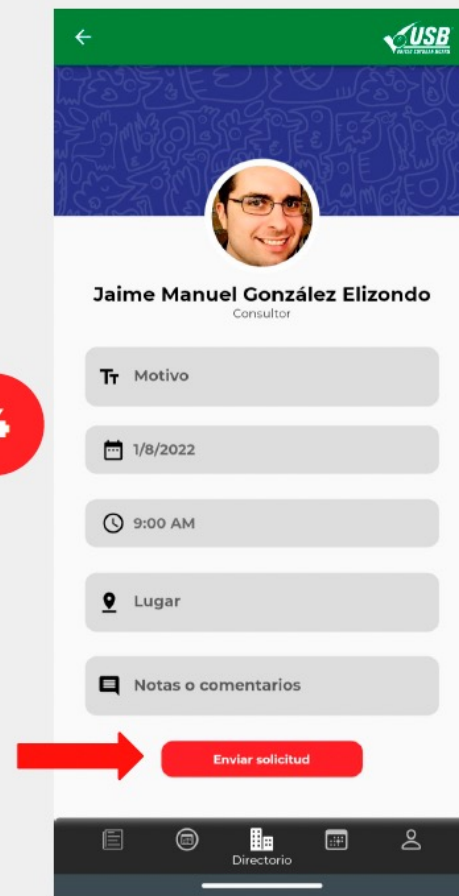

Click on "Contacts", within the company you are interested in approaching.

2

A list of collaborators who are registered in the USAPEEC Mobile app will be displayed. Choose the person you wish to make an appointment with.

4

**3** When your contact information is displayed, you will find the red "Request appointment" button. Select it.

**4** Fill in the fields with the appointment information and click "Submit request".

Once you **have requested an appointment** from any member of the USAPEEC Mexico app, it will be registered in the **“My appointments”** section (for both the sender and the receiver), located in the menu at the bottom of your app.

In "My appointments", you can see whether the meeting is pending confirmation or it's already confirmed.

This section will also **record the events for which you have confirmed your attendance(b).**

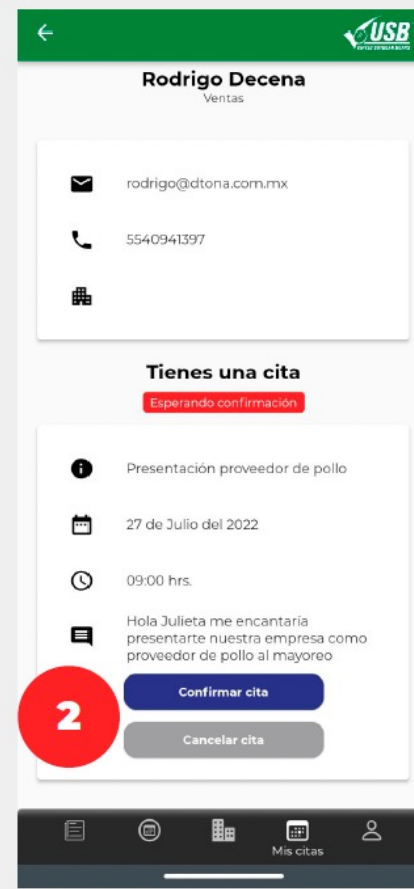

If you are the **recipient of the meeting request**, it will also be registered in the **"My appointments"** section and will appear with the status: **"Awaiting confirmation"**.

To **confirm or cancel an appointment**, follow the steps below:

1. Click on the **new appointment**.
2. Select the blue button **"Confirm appointment"** or **"Cancel appointment"**, as the case may be.

At this point, **the sender of the request will be notified** that you have accepted or cancelled the appointment and it will be recorded in the **"My Appointments"**.

1

Click on the new appointment

2

Select the blue "Confirm appointment" or "Cancel appointment" button
